

24TH KTA-TTA FALL CONFERENCE & SUPPLIER SHOWCASE MEETING

October 16-18, 2018
Holiday Inn University Plaza
Bowling Green, KY

The Kentucky Telecom Association (KTA) and Tennessee Telecommunications Association (TTA) are pleased to announce that our 24th KTA-TTA Fall Conference & Supplier Showcase will return to the Holiday Inn University Plaza and the adjoining Sloan Convention Center in Bowling Green, KY on October 16-18, 2018.

The conference agenda is designed for managers, supervisors and other company employees involved in plant and equipment operations, field and network operations, customer service, marketing and regulatory. However, all company personnel can obtain important information and educational benefits by attending.

The Supplier Showcase is always a featured highlight of this meeting where *more than 90 exhibit booths are expected* to display the latest in communications products and services. The showcase has proven to be an excellent, low cost opportunity for KTA and TTA member companies to allow their employees to see new products and discuss their needs with vendors.

In conjunction with this meeting, the KTEA Association will hold its own annual meeting on October 18-19. A separate registration packet will be issued for their meeting. The joint fall meeting and KTEA meetings are scheduled together to allow both groups the opportunity to attend the supplier showcase.

All meeting events will be at the hotel or convention center. *Business casual dress* is appropriate.

Hotel Reservations. The *Holiday Inn University Plaza* is 2 miles from I-65 (Exit 22) just off Hwy 231W. The hotel contains 218 guest rooms and suites, restaurant and lounge,

indoor pool and exercise room. The convention center and golf course are adjacent to the hotel and parking is free.

A room block rate of \$139 (+ tax) is available for the nights of October 16-18. *Make your own room reservations directly with the Holiday Inn University Plaza by Saturday, September 15.* Be sure to mention the KTA-TTA meeting or *group code KT5* to get the group rate.
